

JOLLY WRENCHES SQUADRON

STENCIL CRAFT

YOU WILL NEED:

T-shirt, Newspaper, Craft Knife or Scissors, Non-toxic spray paint.

DIRECTIONS

Have an adult help you cut along the dashed lines using a craft precision knife or scissors. Save the positive and negative pieces. Prepare an area to work on your t-shirt in a well ventilated room or outdoors. Protect your work area by laying down newspaper.

Pre-design your stencil by placing the pieces on top a piece of newspaper in the configuration that you like. Use non-toxic spray paint to spray the positive and negative pieces to create your design. When you are happy with your design, lay your t-shirt flat on top of the protected work area, and paint it according to your design! Let dry.

TAKES OFF IN THEATERS IN 3D ON AUGUST 9
